

Dear parents

A **HUGE** thank you to the **85** parents/carers who took time to give us valuable feedback by completing the bi-annual questionnaire about our school which was distributed on the recent parent share day. By sharing your views, you help our school to improve. The completed responses were **extremely** positive about the school and reiterate what the children and staff said in their surveys at the end of the last academic year. The full set of results for the questionnaires are given overleaf.

Here is a selection of the lovely comments which were made:

- Overall I am very happy and think this school is excellent 😊.
- Since my child has started Langley Mill Infants I have seen a more happy, smiley, content little boy. All the help and support myself and child have received has been really appreciated and has really helped at school and also at home.
- So far we have no concerns from anything. We are very happy with his start to school and he is thoroughly enjoying it.
- Excellent school. Can't wait for our next child to come. Many thanks.
- My child enjoys coming to school and I have recognised that my child is improving in his reading and maths with recognising numbers.
- My daughter is thoroughly enjoying school! We couldn't be happier with the fabulous start to her education coming to this school has provided. Keep up the good work! 😊
- I am really happy with how well my daughter has settled into her new class.
- We are so happy. Really pleased with the teacher's comments about both my children and we are very happy with their progress in this school.
- My child really enjoys school. My child comes home and tells me how much she has learnt and enjoyed her day. The school is very effective in the techniques they use to teach the children. I believe in order for the children to want to learn, they have to feel comfortable with their environment. This school does this successfully.
- My child really enjoys attending school where she learns and has fun.
- I think my daughter is progressing very well. With the help of Mrs Dawson, she will carry on to be a very happy little girl in this school.
- Thank you very much, my little girl loves being at nursery all day.
- My son is enjoying his start into the school. He is currently in nursery and finds the staff support him well.
- Overall I have seen massive improvement in my child's development. I am very happy that the school takes into account his particular needs and has put in place resources to help him develop. If I have any concerns with regard to his needs and development, I can confidently speak to the staff and am always assured of help. The support for parents like myself is good at this school.

Out of the 85 responses given, one parent/carer disagreed that the school meets their child's particular needs and one parent disagreed that they haven't seen their child's writing and mathematical skills develop. As no further explanatory comments were added to the questionnaire, it is difficult for me to effectively address these concerns. However, if these parents wish to make an appointment to see me the Headteacher, the child's class teacher or Mrs Dawson the Children's Learning Supporter, we will listen to and address issues that are raised with immediate effect. We pride ourselves in being a proactive school and will do all we can to help parents feel happy with their child's education and overall school life. Please remember our doors are always open to parents/carers and we really value a strong home-school partnership to ensure the best possible educational and school experience for each and every child.

Thank you.

Results – November 2016

		Strongly agree	Agree	Disagree	Strongly disagree
1	My child enjoys school.	87%	13%		
2	My school keeps my child safe.	92%	8%
