

Dear parents

A **HUGE** thank you to the **87** parents who took time to give us valuable feedback by completing the bi-annual questionnaire about our school which was distributed on the recent parent share day. By sharing your views, you help our school to improve. The completed responses were **extremely** positive about the school and reiterate what the children and staff said in their surveys at the end of the last academic year. The full set of results for the questionnaires are given overleaf.

Here is a selection of the lovely comments which were made.

Outstanding is an understatement. My daughter is so happy, there is no school like this one, in fact it's a shame that all the staff can't be duplicated to be put in all the other schools, to bring them to this standard.

Thank you very much for everything you have done for my son. He has really come out of his shell and he is progressing well.

My child is getting the best possible start to school in nursery.

Nothing to explain, brilliant school as always!

I think this is a very good school and Mrs Dawson has been exceptional with my daughter. I can't praise this school enough. Thank-you.

This school is a God send. My child has learnt and grown so much since being here. I am very thankful to all the teachers for all your hard work and kindness towards my son. Keep up the good work.

Very pleased with his progress, also very pleased with the school. The nursery is a credit and brilliant staff who if there is anything to be discussed will discuss and help us correct if necessary.

My child is very happy here and I think it is a wonderful school with brilliant, helpful, friendly staff who are very supportive.

I have no concerns about the school or staff who all seem very friendly and always keen to help or inform me about anything. All in all, a brilliant school.

We could not be happier with the experiences coming to this lovely school has given our daughter. She thoroughly enjoys coming each and every day! We couldn't have asked for a better start to our daughter's education.

I have one child in nursery and one in infants. I am very pleased with how my children are in this school and their learning is progressing very well. As a parent I am very happy with this school. I would highly recommend the school to other parents.

Out of the 87 responses given, 5 parents expressed concerns by disagreeing with some of the statements given on the questionnaire. Only 1 of these parents offered further explanatory comments to the questionnaire, so it is difficult for me to effectively address the concerns. However, if any of these parents wish to make an appointment to see me as Headteacher, or Miss Jones or Mrs Dawson as the Anti-bullying leads, we will listen to and address issues that are raised with immediate effect. We pride ourselves in being a school with a very 'open-door' policy which is proactive in its approach and we really value a strong home-school partnership to ensure the best possible educational and school experience for each and every child.

Thank you.
