Dear parents

A **HUGE** thank you to the **92** parents/carers who took time to give us valuable feedback by completing the bi-annual questionnaire about our school, which was distributed on the recent parent share day. By sharing your views, you help our school to improve. The completed responses were **overwhelmingly** positive about all areas of school life (only 1 negative response) and reiterate what the children and staff said in their surveys at the end of the last academic year and what other visitors and inspectors regularly tell us during their visits. A summary of the questionnaire responses is given overleaf.

**Here is a selection of the lovely comments which were made:**

- **My child comes to school with a smile every day, knowing he will always have fun and learn lots - happy child and happy parents!**

A few very helpful parents offered sensible recommendations going forward. One suggested that there needs to be a 'not applicable' response choice, as some questions are not relevant to certain age groups or the statements have not yet been experienced. This will be actioned on the next questionnaire when they are distributed in February 2018. Another politely asked if the Wolves noticeboard could be updated. Again, this will be actioned promptly.

Thank you for all of these lovely responses. Positive comments such as these drive staff to keep giving your children the best education possible.
