Dear parents

A **HUGE** thank you to the 75 parents/carers who took time to give us valuable feedback by completing the bi-annual questionnaire about our school, which was distributed on the recent parent share day. By sharing your views, you help our school to improve. The completed responses were **overwhelmingly** positive about all areas of school life and reiterate what the children and staff said in their surveys at the end of the last academic year and what other visitors and inspectors regularly tell us during their visits. A summary of the questionnaire responses is given overleaf.

**Here is a selection of the lovely comments which were made:**

- *My children are progressing daily and I have the school to thank. My children come home happily daily after having a fun/educational day at school. I believe the school is run very well and I/my children have no concerns. I have 2 happy children 😊. Thank you for all your hard work.*
- *My son has developed well through a difficult transition from nursery. He is doing really well. Thank you.*
- *My child has enjoyed being a part of this school since he started age 3. I find that school is very well led and that the ethos of positive behaviour, good values and a ready to learn attitude is exactly what I'd expected from the school.*

- *Everyone is well looked after and happy. Couldn't ask for better teachers.*
- *... has been very helpful and supportive with issues we have had.*
- *Thank you for all you do to help ... become a well rounded child.*

There were a few parents who disagreed with one or two questions, and some of these offered reasons whilst others didn't. I urge these parents to make an appointment to see their child's class teacher, Mrs Dawson the Children's Learning Supporter or myself the Headteacher so we can discuss any concerns and make sure we take actions to address them. As these issues are pertinent to a few parents and children only, they need to be addressed directly with those who they affect.

Thank you for all of these lovely responses. Positive comments such as these drive staff to keep giving your children the best education possible.
